Smart Solutions for Agile Offices

Enhance your organisational workflows with the IM C320F. Compact yet feature-rich, the IM C320F integrates seamlessly into the modern digital workplace, enabling you to optimise workflows, strengthen data security, and minimise environmental impact.

With an easy setup, vivid colour output, and integrated solutions support in a small package, the IM C320F brings high quality colour print, copy, scan, and fax capabilities to wherever you need it.

The M C320FW is an excellent alternative to the IM C320F, offering essential functionality for environments that require basic needs, whilst the P C375 offers superior paper handling for print-only workspaces

A Perfect Fit

Print Where You Need It

These devices fit perfectly in virtually any compact workspace where they're needed—from small office rooms to retail shops and frontline counter services. Build your workflows around your people, not your printer.

## Smart And Secure

Stay Secure With Scalable Intelligence

Built-in user authentication, support for third-party card authentication solutions, and more help the IM C320F keep your data secure.

And as security threats and your business needs evolve over time, you can depend on RICOH Always Current Technology to keep you covered, allowing you to download the latest essential features and security updates as they become available.

IM C320F KEY FEATURES

- Print/copy speed of 32 pages per minute

- Enhanced digital workflows with RICOH Smart Integration solutions

- Automatic feature and security updates with RICOH Always Current Technology

- User-friendly and responsive 7" Smart Operation Panel

- Energy efficient with low-melt toner and class-leading TEC value

- Eco-friendly design with 50% post-consumer recycled plastic and 31% reduced plastic packaging

- Built-in user authentication and latest data network security standards

Sustainable Operational Excellence

Positive Impact for Business and the Environment

Combining energy saving technology with eco-conscious design, these devices enable you to support a greener future while improving your bottom line. Enhanced thermal efficiency, low-melt toner, and class-leading TEC value reduce energy consumption and carbon emissions, cutting both costs and your carbon footprint.

Built with 50% post-consumer recycled plastic, these devices embody Ricoh's industry-recognised*, market-leading approach to sustainability. We've significantly reduced single-use plastic in our packaging by 31% and eliminated it entirely from our toner cartridge packaging.

Ricoh is included in TIME World's Most Sustainable Companies of 2024, Corporate Knights' Global 100 Most Sustainable Corporations 2024, and Financial Times and Statista's Asia-Pacific Climate Leaders 2024 lists.

Effortless Workplace Integration

More Than a Single Solution

Sharing the same platform and interface of Ricoh's A3 IM C Series MFPs, the IM C320F integrates seamlessly into your print environment, simplifying print on-demand workflow creation and device management across A4 and A3 MFPs.

Enhance the versatility of your new IM C320F with advanced cloud services and automated workflow solutions for improved efficiency, reduced costs, and enhanced security.

Partner with Ricoh for total solutions that address your unique challenges and priorities.

Tap Into Your New Print Capabilities

Take your print infrastructure to new heights and optimise workflows, foster effortless collaboration, and enhance efficiency with Ricoh's suite of digital services and solutions.

Workflow & Automation

- Process Automation
- Content and Collaboration
- Business Applications

Reduce errors, accelerate processes, and automate complex manual workflows to uncover new opportunities for growth and expansion.

RICOH Smart Integration

- RSI Connectors
- RSI Control
- RSI Control+
- RICOH CloudStream

Streamline document workflows, enhance security, and simplify print device management with a unified cloud-based platform.

Range Summary

General	IM C320F	M C320FW	P C375
Functions	Copy, print, scan, fax	Copy, print, scan, fax	Print
RICOH Smart Integration	✔	—	—
RICOH Always Current Technology	✔	—	—
Paper Input (Standard + Bypass)	250 + 50 sheets	250 + 50 sheets	250 + 50 sheets
Paper Input (maximum)	800 sheets	800 sheets	1,300 sheets
Copy/Print Speed	32 ppm	32 ppm	32 ppm
First Print Time (B&W/Colour)	3.6/4.8 seconds	7.4/8.4 seconds	4.1/5.3 seconds
Scan Speed (simplex/duplex)	30/60 ipm	30/42 ipm	—
Operation Panel	7" Smart Operation Panel	4.3" colour touchscreen	4-line LCD
Print Resolution	1,200 x 1,200 dpi	600 x 600 dpi	1,200 x 1,200 dpi
Power Consumption (Sleep Mode)	0.58 W	0.61 W	0.53 W
Typical Electricity Consumption (TEC)	0.30 kWh	0.33 kWh	0.30 kWh
Weight	29.9 kg	29.9 kg	25 kg
Dimensions (w x d x h)	410 mm x 429 mm x 483 mm	410 mm x 429 mm x 483 mm	410 mm x 429 mm x 360 mm

Reimagine your workspace with RICOH

Ricoh's intelligent MFPs redefine the boundaries of your workspace. With flexible access to vital document processes, these devices ensure your productivity isn't limited to a single location.
