

The PDF Powerhouse for Professionals

Readiris™ PDF Elite for Windows or for Mac is a PDF centric manager application offering a complete set of OCR, scans and document composition! All-in-One place. Readiris™ PDF centralizes all document manipulations in one single platform to efficiently manage PDF's, images and scans. That's the All-in-One PDF creator & converter for paperless office! **Simplify Your Life & Boost Your Business Processes.**

Readiris™ PDF Elite goes even beyond your needs by including key differentiator such as a unique automatic document separation based on page count, barcode, white page or zonal text OCR. In addition, it saves time thanks to its unique automatic document naming based on smart zone, barcode or zonal text OCR.

On top of useful PDF annotations, comments, stamps or markups, you can easily merge, split, sort, convert, edit text or eSign your PDF's. Readiris™ PDF Elite offers all importing capabilities from files or directly from any scanners along with 138 OCR languages recognition feature.

Do not hesitate any longer to enjoy a new way of central productivity for your company document management needs. Readiris™ PDF Elite allows you to compose your documents whatever the original file format to any other format. In other words, it is the ideal companion to build your own multi-page documents from multiple sources of paper and/or file into any office format including PDF's!
